Good afternoon Matthew and Richard,

The above location is receiving social media attention from residents posting pics of services that have not yet been completed (ID's and HE's).

*Matthew- Can you please have your team expedite outreach so the authorization can be signed off and services preformed.

*Richard- Once LAHSA has completed outreach, can we please have this location expedited? Next service days for CD1 are 2/6/19 and 2/12/19.

Respectfully,

DANIE MALDONADO
